

GigaDevice Semiconductor Inc. — RoHS 2.0 Declaration

Capture of a public web page, retrieved 2026-08-14

Document type	Capture of a public web page. This is not a manufacturer-issued, dated or signed certificate. GigaDevice publishes this declaration as a web page only; no PDF version is offered.
Source URL	https://www.gigadevice.com/quality-and-reliability/environment/rohs-declaration
Retrieved	2026-08-14
Reproduced	Declaration statement and substance-limit table transcribed verbatim from the page.
Purpose	Supporting RoHS evidence for GigaDevice GD25Q64E series NOR flash (LCSC C3202817, GD25Q64EQIGR), evaluated as a second source for U9. See notes/flash-second-sourcing.md in the polykybd-costing repo.

Declaration as published

“GigaDevice fully adheres to the EU Directive 2011/65/EU — Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS) and its amendment, Directive 2015/863/EU, to restrict the use of certain substances in our products.”

Restricted substances and limit values

Substance	Limiting value
Lead (Pb)	1,000 ppm
Cadmium (Cd)	100 ppm
Mercury (Hg)	1,000 ppm
Hexavalent chromium (Cr(VI))	1,000 ppm
Polybrominated biphenyls (PBB)	1,000 ppm
Polybrominated diphenyl ethers (PBDE)	1,000 ppm
Bis(2-ethylhexyl) phthalate (DEHP)	1,000 ppm
Dibutyl phthalate (DBP)	1,000 ppm
Butyl benzyl phthalate (BBP)	1,000 ppm
Diisobutyl phthalate (DIBP)	1,000 ppm

Assessment for the technical file

Content. The declaration cites the current directives — 2011/65/EU as amended by (EU) 2015/863 — matching the standard applied throughout this technical file, and lists all ten restricted substances at the correct limit values.

Form. It carries no date, revision number or signatory, and GigaDevice offers no PDF version. It is therefore weaker in form than the Nexperia and Vishay statements already on file, both of which are dated and signed.

Supporting evidence held alongside this capture:

- **ISO 14001:2015 certificate** — GigaDevice Semiconductor Inc., registration no. 50050943 UM15, valid 2023-09-21 to 2026-09-20 (certified 2024-11-15). Issued as a signed PDF by the certification body and retained separately.
- **Part-specific linkage** — the GD25Q64E datasheet ordering table decodes the suffix G as “Pb Free +

Halogen Free Green Package", and the part under evaluation is GD25Q64EQIGR.

Open action. Request a dated, signed RoHS declaration from GigaDevice naming the part, as was obtained for Vishay. This capture is interim evidence only and should be replaced if a signed document is issued.

Captured for the PolyKybd CE technical file on 2026-08-14. The wording above is reproduced from the cited public web page; no part of this document originates from GigaDevice Semiconductor Inc. in signed form.
